

Staff Bio

Dr. Yasir Hamid
Assistant Professor
Ph.D., Computer Science and Engineering
Yasir.Hamid@adpoly.ac.ae

Education

- Ph.D., Computer Science and Engineering, Pondicherry University, India, 2019.
- Master of Computer Applications, University of Kashmir, India, 2014.
- Bachelor of Computer Applications, University of Kashmir, India, 2011.

Dr. Yasir, currently an Assistant Professor of Information Security Engineering Technology at Abu Dhabi Polytechnic, earned his Ph.D. in Computer Science and Engineering from Pondicherry University in 2019. He previously served as an Assistant Professor at the Islamic University of Science and Technology in India and worked as a teaching assistant at Pondicherry Engineering College.

Dr. Yasir is an active member of many scientific societies and serves as an editorial board member of several journals. His research interests primarily focus on Machine Learning, Deep Learning, and Big Data Analysis. As an academician, he has published several research articles in peer-reviewed journals and has presented his research findings at various international conferences. He is committed to developing advanced technologies that address real-world issues, making him a valuable addition to the academic community.
