Short Bio

Muris is a Vocational Trainer in the Department of Information Security Engineering Technology, (ISET) at Abu Dhabi Polytechnic. He holds a Bachelor's Degree in Information Technology with a passion for developing scalable and optimized software solutions.

He has several years of experience working with AGILE development methodologies such as Kanban and Scrum. He has spent his career mainly working with the .NET technology stack with a focus on Cloud Services (Azure, AKS, ADO) and server-side programming (ASP.NET, Ruby on Rails).

Experience with TDD, unit tests, and automated testing tools (MSTest, Selenium, XUnit). In addition to software development, he has experience in mentoring and training people in various IT fields.
